As revised by the Owasco Lake Watershed Inspection Committee.

Map data obtained from New York State Information Technology Services (NYS ITS) and watershed hydrographic data obtained from USGS's National Hydrography Dataset (NHD). Additional stream data not in the NHD was digitized from the original Owasco Lake Watershed Base Map prepared by the Central New York Regional Planning and Development Board (CNY RPDB), filed with the Cayuga County Clerk on May 26, 1994 (map date unknown), as revised by the Owasco Lake Watershed Inspection Committee. Map prepared by Bruce Keplinger, employee of the CNY RPDB.
